PROFILE

Enthusiastic and self-motivated self-taught programmer with a strong passion for software development and problem-solving. Proficient in multiple programming languages including PHP, JavaScript, and C++, acquired through self-directed learning and hands-on projects. Possesses a solid foundation in algorithms, data structures, and software design principles.

Demonstrates a keen ability to quickly learn new technologies and adapt to challenging environments. Proactive in seeking opportunities to expand knowledge and skills through online courses, tutorials, and open-source contributions. A dedicated team player with excellent communication skills and a collaborative mindset, eager to contribute effectively to innovative projects.

Seeking an opportunity to leverage programming skills and passion for technology in a professional setting to contribute to meaningful projects and further develop expertise in software development.
